The cost for a 2 hour jump is \$16.00, there will be a dj playing today's hottest music, it should be a lot of fun for kids **in grades 4-6**.

Conley League Tee Ball and Baseball

Registration is ongoing for this fun program which teaches kids as young as 4 the basics of baseball. Kick off with a barbecue supper and team get-together. This program depends on parent volunteers to coach but I can tell you it is a lot of fun for both parents and kids.

Summer Program Schedule

Summer program information will be coming out the first week in February, at least the tentative schedule. I think you will see a lot of fun changes in the programs this year. KIDS Adventure Program, for kids ages 4-12 will be at the Wellington School. Kids will be grouped by age and spend the day playing games, swimming, going on local field trips, enjoying theme weeks and spending time at the new Underwood Pool. The days will be full of fun and adventure. Our sports programs will still be held at Belmont High School but we will spend time at the Underwood Pool during the day as well. I think you will like the changes you see and if you haven't tried our programs before then this is a good time to start. Financial Aid forms will be available February 15.
